

Technical Apprenticeship Overview

Location: Honda of the UK Manufacturing Ltd, Swindon

Starting Salary: £13,000

Overview:

Honda of the UK Manufacturing Ltd is looking for talented individuals to join our Technical Apprenticeship Programme that will start in September 2018.

Our factory in Swindon covers 370 acres, with in excess of 4,000 associates working on site, building cars and engines that are exported across the world. The factory has been in operation for more than 30 years and has a diverse, highly-skilled and experienced workforce. As an apprentice, you will gain valuable hands on experience, nationally recognised training, and ongoing development while earning a salary as you contribute to the continued and future success of Honda.

Requirements

Applicants will be required to have the following:

- Minimum of grade C in Maths and English at GCSE (or equivalent)
- Good IT skills and be confident using Microsoft Word, Excel, Outlook and PowerPoint
- Must be a flexible and committed team player
- Must be able to demonstrate an interest in Engineering
- Good attention to detail and problem solving skills
- Good oral and written communication skills
- Must have the right to work in the UK.

Benefits

You will be paid a salary starting at more than £13,000, 25 days holiday, a contributory pension scheme, private health care, all your training costs paid as well as many other benefits.
